Academic Details

o **BSc (Computer Science)**
Dr. D. Y. Patil ACS College, Pune
2021 - 2024
CGPA: 8.55

o **MCA**
Modern College of Engineering, Pune
2024 - 2026

Soft Skills

Analytical | Collaborator | Leader | Adaptable

Technical Skills

o **Programming Languages:**
C/C++, JavaScript, Python, Java, MongoDB, SQL

Frameworks:
React.js, Express.js, Node.js

Core Competencies

Problem Solving

Data Structures and algorithm

Object Oriented Programming

Operating System

Networking

Performance Optimization

System Scalability

Personal Details

Date of Birth: 19th Jan 2004
Languages Known: English, Hindi and Marathi
Address: Pune, Maharashtra

Profile Summary

o An **Enthusiastic full stack developer** with high **problem-solving skills** and develops **complex projects**.
o Proficient in **Web Development** with a strong portfolio of projects designed for broad **user adoption, demonstrating expertise** in creating scalable and user-centric web applications.
o **Developed a highly scalable attendance management system** which can be used in our college.
o Developed a **Personal Portfolio Website** with attractive user interface and great user experience.
o Possesses **in-depth knowledge of multiple technology stacks** which in turn contributes to an efficient development stage of products.

Academic Projects

Catalogue (Online attendance management system)
Tools: React, Express, Node, MongoDB   **Dec 2023 – April 2024**

The Online Attendance System simplifies and automates the process of tracking attendance for schools and organizations, providing real-time monitoring, detailed reporting, and user-friendly interfaces for administrators and users. Enhance efficiency and accuracy in attendance management with our secure and accessible platform.

Responsibilities:
o Designed the schema with the help of mongoose for storing useful data to MongoDB.
o Designed and Developed the Dashboard in React, where the teacher will get an attendance of students.
o Developed the backend of this system, which will take the data from teacher and send it to the database to register attendance.
o Used helpful dependencies like jsonwebtoken, bcrypt, cors, dotenv, nodemon, axios, react-router-dom, etc.
o Source code: https://github.com/AkshayPise1112/Catalogue/tree/main

Personal Portfolio Website
Tools: React   **Aug 2023 – Nov 2023**

A sleek, responsive personal portfolio website showcasing my skills, projects, and experiences. Designed with a clean layout, it highlights my professional journey and creative work through an engaging user interface.

Responsibilities:
o Designed very attractive user interface and implement it.
o Developed the frontend in react with various API's like email.js, WhatsApp Api.
o Used helpful dependencies like react-router-dom, react-simple-typewriter, react icons, emailjs-com, etc.
o Deployed the entire website over Vercel.
o Source code: https://github.com/AkshayPise1112/Portfolio/tree/main
o Live link: https://akshaypise.vercel.app/

Academic Achievements

o Successfully earned by consistently solving coding challenges for 100 days, demonstrating strong problem-solving skills, dedication, and a commitment to continuous improvement in algorithmic and data structure proficiency. Leetcode.
o Achieved over 5000 points on Coding Ninjas, showcasing advanced coding proficiency and commitment to continuous learning Coding Ninjas.
o Implemented an attendance tracker system for college to track attendance of students.
